

PRODUCT SPECIFICATIONS

Crown offers roof tiles, standard trim, and roof components to provide a complete roofing system.

At Crown, we think of our products not only as a dynamic protection system for your home, but also see them as a key design element that reflects your unique lifestyle. By offering the highest quality roof tiles in the market and combining them with top grade accessories, and a proper installation from a Qualified Installer you can achieve the highest functionality and best appearance for your home while enjoying the benefits of a Complete Roofing System. This is why you will not find a better product to transform your house into your familie's unique and exclusive home.
